Students are eligible for financial assistance **only** if their family qualifies for this program, and only if the information from the program is allowed to be used by the Athletic Department. Students who are on the Reduced Lunch Program will receive a one-third reduction in their Athletic Fee. Students who are on the Free Lunch Program will receive a two-thirds reduction in their Athletic Fee. The established fees for the school year are: \$125 for high school participants, and \$100 for middle school participants.
