Mark Deldin, Superintendent

**This Bond  
Proposal  
Will NOT  
Raise Taxes!**

*Great schools for a great community!*

According to State law, expenditures of bond proceeds must be audited. Bond funds cannot be used for repair or maintenance costs, employee salaries or benefits, textbooks, supplies, software, or other operating expenses.

*This list of bond projects is not meant to be an all inclusive list of every project planned for your school. It is designed to highlight most major projects.*
